

WORLD CHAMPIONSHIP GAMES VARKAUS

2019

28.2 – 2.3.2019

WARKAUS
Varkauden kaupunki

Welcome!

Participating players of girls Y17 World Championships and other team members as well as spectators here in Varkaus and everybody following the games.

Bandy has always been the top sport in Varkaus and next year is celebrating the 85th anniversary of the oldest of local bandy clubs WP 35. The city of Varkaus and WP 35 are in close co-operation providing sports opportunities for youths and national level bandy games for spectators in legendary Kamari-area.

And now the city and the club are organizing together these World Championships.

Varkaus has since the thirties been a town known around Finland as the 'bandy-town' and it's not unusual that junior players of this decade are third generation of the family playing bandy in the same club.

Last golden period of bandy in Varkaus was the first half of the 90's when WP 35 took 4 consecutive national championships. Since then there has been a change of generation and now there are talented young players looking for new success. I hope these Championships provide inspiration for those players.

On behalf of my own and Varkaus city I welcome everybody to Varkaus and wish you all successful games.

Hannu Tsupari Mayor of Varkaus

City of Varkaus, Finnish Bandy federation and the organization committee would like to welcome you all to Youth Girls 17 Bandy World championship games which are held 28th February to 2th March in Varkaus.

We have gathered an info-package for you that your stay at Varkaus would be as easy as possible. Players and all the persons who are linked to the national teams should keep it with them for the duration of competition weekend.

From the info pamphlet you will find out time table for each team's ice practice, dinner times, locations of the ice park, restaurants where the teams will have their lunch and dinner, the hotel and all important numbers for any situation. This year we will have four different nations attending, Finland, Russia, Sweden and Norway. All team personnel can always contact to organizers 24/7.

Once more, on behalf of the whole organization committee, welcome. Hope you enjoy your stay in Varkaus.
